Guests without wristbands will be refused entry to venues and may be required to leave the resort without refund. Should you lose your wristband, please contact Guest Services team - there is a charge for replacements issued.

For group bookings of 19+, you will be asked to give us the lead accommodation guests names before your arrival on resort. This will be made via your debit or credit card. Your card will not be debited unless damages to your accommodation or that of our property are caused. The authorisation from your bank will last for up to 7 days and will impact the availability or access to the amount of funds authorised by your Bank or Building Society.

We reserve the right to enter accommodation at any time and for any reason, to ensure the safety and wellbeing of all of our guests.

Butlin's reserves the right to require that any guest be interviewed by us, on Butlin's premises, to enable us to look into instances of damage or nuisance to Butlin's property or guests. Any person who refuses to comply, without a reasonable excuse, will be treated as having terminated their contract. They and their party will then be asked to leave the resort immediately and refunds will not be given. We reserve the right of entry to our resorts, and the right to refuse entry to our resorts without notice. Guests are advised not to bring electrical appliances to any resort, if they do so, they use the equipment at their own risk.

IF YOU HAVE A COMMENT

If you are dissatisfied with any aspect of your break whilst on resort, please speak to the team leader or manager responsible for the area concerned. If they are unable to resolve the issue, then please speak to the Guest Services team. They will endeavour to help you immediately so that you can enjoy the rest of your stay. If you do not give us the opportunity to resolve the problem locally by reporting it whilst on resort, we may not be able to deal positively with any feedback on your return. Claims may be rejected if we have not been given the opportunity to put matters right or investigate your concerns.

If, at the end of your holiday, you feel that we have not provided a satisfactory solution, the lead guest should write to the Resort Director at 1 Park Lane, Hemel Hempstead, HP2 4YL or via email to feedback@butlins.com. Please submit any written comments within 28 days of returning from your break so that we may properly review and reply to your feedback. Please write your break reference number on your letter and include your telephone numbers.

SMOKING POLICY

Smoking is not allowed around our resorts, in our entertainment venues, or in any accommodation. If a room has to be cleaned due to the effects of smoking there will be an extra charge of £75 for this. You'll find designated smoking areas on resort.

E-Cigarettes:

Given their remarkable likeness to cigarettes, the use of e-cigarettes can cause concern amongst other guests, so we kindly ask our guests to only use them in the designated smoking areas provided. We do not allow these to be used in any of our entertainment venues or accommodation.

GENERAL INFORMATION

Health and safety

For the safety and wellbeing of our guests, not all facilities are available to everyone and height restrictions do apply on all our rides and activities.

Splash waterworld

In Splash Waterworld, only competent swimmers may use certain flume rides. Please be aware that loose items, including goggles, cannot be worn on the flumes.

Fairground

Restrictions and additional charges may apply on certain rides and other facilities. To meet certification requirements and maintain our ongoing improvement policy, all our funfair rides are regularly inspected and maintained by specialist engineers. They may be closed at certain times for work to be carried out, please check with your resort. Rides are subject to weather conditions.

Butlin's actively works within the Health and Safety Executive's Code of Safe Practice HS G 175 Fairgrounds and Amusement Parks, which states that operators should 'take reasonably practicable measures to identify and exclude any individuals who cannot ride safely'. The code specifically includes persons who 'have a physical injury or other condition' that impairs their ability to use the ride safely. Ride attendants assess guests according to these recommendations. Unfortunately, this may present limitations to some disabled guests; those, for example, who cannot brace or support themselves in the seat of a given ride.

Contagious diseases and illness

Should Butlin's become aware, or have reasonable grounds for suspicion, that a guest has contracted a contagious disease or illness that has the potential to infect a large number of people quickly; they and their party will be required to leave the resort. If this is not possible, then restrictions will be placed upon their activities and movements in order to prevent the disease or illness being transmitted to other guests. We are unable to offer any refund in such circumstances and strongly recommend that guests obtain suitable insurance prior to travel to cover any such eventuality.

Venue capacities

Butlin's venues are subject to maximum capacities set by the local fire officer, and as such entrance to venues is not guaranteed. As our venues are popular seating cannot be guaranteed or reserved.

Filming and photography

Due to the popularity of Butlin's, we get requests from TV and other companies to film/photograph on resort, many of which we accommodate. We also take our own Butlin's promotional films and photographs on the resorts throughout the year.

Please be aware that photographic shoots and/or filming may be in progress during your break, and ensure that you are aware of the positioning of cameras at all times. We do not accept responsibility if, contrary to your wishes, you appear on film or in photographs. Please be aware that some entertainment shows use strobe lighting. The availability of some outdoor facilities and entertainment may be affected by adverse weather conditions.

Free activities

We want to ensure that you enjoy all the activities we have on offer throughout your break. When booking free activities in advance, we ask that you only book one activity per person – this is to ensure where possible, that everyone on resort gets to try as many of our unique activities as possible. If you would like the opportunity to take part in the same activity on more than one occasion, please look for further availability nearer the date and time of the event. Multiple bookings from the same guests may be declined entry on the day, dependant on demand.

ALCOHOL AND DRUGS POLICY

For the safety, wellbeing and enjoyment of all of our guests, we do not allow guests to bring excessive quantities of alcohol onto our resort. We are committed to responsible drinking and will confiscate any excessive alcohol at the resort entrance or from your accommodation during your break and give it back to you at the end of the weekend. You may bring up to 12 x 440ml cans of lager, beer or cider or 6L of lager or cider in plastic bottles or a 3L box of wine per person or one (maximum 700ml) bottle of spirit per person.

You may bring this with you on arrival to the weekend only; there is no re-entry with alcohol. Where repeated attempts to breach this condition are made, Butlin's reserves the right to terminate the contract without notice and without refund of monies paid. Please be aware that for licensing reasons only drinks bought in our venue bars may be consumed in our venues. Also, you cannot take drinks from one venue to another.

We have a zero tolerance policy on drugs. Anyone found taking illegal drugs or any other illegal substance will be asked to leave our resort and will not receive a refund for any part of their break.
